## ABOUT ME:

As a dedicated student with a strong foundation in database management, web development, and programming, I am eager to apply my technical skills in a dynamic environment. Seeking an opportunity to contribute to innovative projects, learn from industry experts, and further develop my expertise in real-world applications, while making meaningful contributions to the team.

## Workshop/Seminar

### STREAMLINING DEVELOPMENT: AGILE METHODOLOGIES AND EMERGING WEB TECHNOLOGIES IN ACTION 2023

This seminar focused on how Agile practices can enhance the efficiency of software development. It also explored the latest advancements in web technologies and how they can be effectively integrated into Agile frameworks to optimize workflows, improve collaboration, and deliver high-quality software.

## Work Experience

### SPECIAL PROGRAM FOR EMPLOYMENT OF STUDENT 2018

Stipulated under Republic Act No. 7323, known as the "Special Program for Employment of Students," as amended by Republic Act No. 9547 and 10917, is a government initiative designed to provide temporary employment opportunities for financially challenged students to keep them in school and finish their education by allowing them to work and make their school break productive. The program aims to help students earn extra income to support their education expenses while gaining valuable work experience in various industries and agencies.
